

Clas-Otto Wene is Professor Emeritus at Chalmers University of Technology, Gothenburg, Sweden, where he held the chair of Energy Systems Technology from 1981 until 2000. He has worked 1997-2003 at the International Energy Agency in Paris with issues related to energy technology learning and technology markets. In two periods, 1986-1996 and 2006-2014, he was appointed by the Swedish Government to the National Council for Nuclear Waste. Dr. Wene is Dozent in Physics at Lund University where he obtained his PhD in nuclear physics in 1974. He received the Lindbohm Award from the Royal Swedish Academy of Science in 1981. Wene is on the Board of Directors for World Organisation of Systems and Cybernetics.
